George Washington Masonic Memorial

TREE PROGRAM

Give a gift of

timeless beauty and majesty

and forever bestow

a special honor

Over the years, the George Washington Masonic Memorial will lose many beautiful, older trees due to age and inclement weather. Your participation in the Memorial Tree Program will help to restore the grounds to their original splendor, while giving you an opportunity to pay a special tribute.

For a donation of \$600, your tree will be planted on the Memorial grounds in *Honor* or *Memory* of an individual or organization. A granite marker will be placed near the tree identifying the donor and honoree. The wording for the marker will be limited to two lines—one line for the donor and one line for the honoree.

A variety of trees will be planted. Trees have been selected that will thrive and grow in the Memorial environment.

Your tree will be maintained in perpetuity. This is a meaningful way to honor and/or remember an individual or organization while at the same time making an everlasting tribute to the memory of George Washington—*the Man, the Mason and Father of our Country*.

The George Washington Masonic Memorial was built by the Masonic Fraternity in honor of George Washington. Located only a few miles from Mount Vernon, it is situated on 36 acres overlooking Old Town Alexandria, Virginia, the Potomac River and Washington, D.C.

The mission of the Memorial is to educate the public about and promote the virtues, character and vision of George Washington and to preserve the history of American Freemasonry. It has nine floors of exhibits that include a new exhibit on American Freemasonry, many outstanding Washington artifacts, a majestic 17 ft. bronze statue of Washington in the main entrance hall, and beautiful murals. The Memorial is open daily from 9 a.m. to 4 p.m. except major holidays. Admission is free.

Please complete the form on the back and return it to the address listed. Your generous contribution will be received with the deepest appreciation and will be gratefully acknowledged in the Memorial's newsletter, *The Messenger*.

Thank you!
